THE BONDAR BLUEPRINT

FIVE FIGHTS FOR CLARKSTOWN

1

END RECKLESS OVERDEVELOPMENT

Town Hall approved hundreds of high-density units, with more in the pipeline. Eugene will stop the pile-on before your street is next.

2

STABILIZE TOWN PROPERTY TAXES

Under the current supervisor, the Town debt is \$139M+, with nearly \$40,000 a day going to debt payments. Eugene will open the books, end the waste that's already cost taxpayers millions, and stabilize your tax bill.

3

ENFORCE THE CODES

The rules on the books mean nothing when Town Hall won't enforce them. Eugene will apply them to everyone, including the connected, so illegal uses end for good.

4

IMPLEMENT TERM LIMITS

The current supervisor voted for term limits, then sued the town to roll them back. Eugene will make them stick, so elected officials don't become career politicians in our town.

5

FULLY FUND LAW ENFORCEMENT

Eugene will guarantee full funding for staffing, training, and equipment — so your family's safety doesn't depend on who's in office.
